In addition, the Trumbull Memorial Health Foundation gives priority to projects that:

- Address underlying social and economic challenges contributing to poor health outcomes in the communities served, such as poverty, lack of access to healthy foods and absence of parks/recreational centers
- Extend past individual behavior or *program* related services by modifying policies, systems and environments to help make healthy options practical and readily available
- Demonstrate collaboration among sectors, including public health, government, education, healthcare, etc.
- Prioritize engagement of residents from the communities served
- Adhere to existing evidence-based best practices or promising practices
- Leverage additional funding as well as community assets
- Provide an established plan for evaluation including measurable outcomes

Guidelines

Eligible applicants must be tax-exempt organizations under Internal Revenue Service 501(c)(3) or operate under the fiscal sponsorship of a tax-exempt non-profit, including schools, churches and public organizations. Eligible organizations must provide services which contribute to the health and wellness of the residents of Trumbull County.

How to Apply

Interested applicants must submit an application with supporting documentation on or before September 28, 2018 at 4:00 p.m. Final grant decisions will be announced in December 2018. Grant applications are available at www.cfmv.org/trumbull-memorial-health-foundation.
