

The Western Reserve Health Foundation Spring 2019 Request for Proposals (RFP) – *Issue Specific Grants Program*

Granting Priorities

The Western Reserve Health Foundation requests proposals for innovative projects within the following issue-specific areas, each aligning with a restricted fund of the Foundation.

- Cancer Fund
 - Supports programs/projects that address needs of cancer patients and/or their families

- Tod Children's Hospital Pediatric Fund
 - Supports programs/projects that improve the quality of children's health, with a focus on underserved populations

Guidelines

Eligible applicants must be tax-exempt organizations under Internal Revenue Service 501(c)(3) or operate under the fiscal sponsorship of a tax-exempt non-profit, including schools, churches and public organizations. Eligible organizations must provide services which contribute to the health and wellness of the residents of Mahoning County.

Requests should also not exceed 50% of the budget of the requested program/project.

***Request amount must receive prior approval by the Community Foundation of the Mahoning Valley. Please contact Casey Krell before submitting an application for the Issue Specific Grants Program.**

How to Apply

Interested applicants must submit an application with supporting documentation on or before March 29, 2019 at 4:00 p.m. Final grant decisions will be announced in June 2019. Grant applications are available at www.cfmv.org/western-reserve-health-foundation.
