

THE FUND FOR WOMEN AND GIRLS'
THIRD ANNUAL
Virtual Microfunding Event

Wednesday, October 28, 2020 • 5:00PM

As a donor and shareholder in the Fund for Women and Girls, you are invited to participate in this extra special grantmaking event. While we normally gather together in the fall to hear from local initiatives benefiting women and girls, this year will look a bit different!

Join us *virtually*, using your computer or smart phone, and have the opportunity to hear directly from area organizations and vote on which will receive a \$1,500 grant.

Your support has grown the Fund, and we encourage you to join us to shape the impact it has in the community.

RSVP by October 21st to tpollock@cfmv.org

(Registered participants will receive instructions for logging into the virtual event via email)

Know others who might like to become a shareholder and attend? Direct them to:
